COVID-19 VACCINE

Moderna and J&J only for anyone 18 years and older at no cost.

Walk-in basis Monday—Friday 8am-3:30pm **UNTIL** Moderna booster shots are approved. Once Moderna or J&J boosters are approved by the CDC, all COVID-19 vaccines will be on an appointment basis at off-site clinics.

There is no waiting list for booster shots. Watch for updates and links to [online sign-ups at HealthyHenryCounty.org/covid](https://HealthyHenryCounty.org/covid).

This is all for your safety!

We have a small waiting room so we want to limit the amount of people inside.

Masks are required.

Please limit additional family members not receiving vaccines.

If you or your child are ill, please stay home.

This schedule is subject to change. Watch HealthyHenryCounty.org/covid or call 319-385-0779 if you have questions.
