Children Age 6 Months and Older Are Now Eligible for COVID-19 Vaccines!

- ✓ Getting children and teens vaccinated against COVID-19 can help keep them from getting really sick if they do get COVID-19.
- ✓ Children get a smaller dose of COVID-19 vaccine than teens and adults that is the right amount for their age group.
- ✓ COVID-19 vaccines protect your friends, family, and the broader community from the spread of the virus.
