Henry County Board of Health

June 17th, 2026, 12:30 p.m.
Public Health Conference Room

Minutes

Attendance: Board Members –Mike Hampton, Lois Roth, Gloria Fear, Tyler Moeller (virtual)

Staff –Dixie Moberg, Angie Rhum

Guests – Mike Dawson

Call to Order – Meeting was called to order by Lois Roth at 12:30pm.

- **Minutes –**Fear made a motion to approve the 05/27/2026 minutes without any revisions, Hampton seconded, and the motion was unanimously approved by board present.
- **Environmental Report** – Report and statistics were provided to the Board and presented by Dawson. No questions were had by the board. Dawson requested time at the next meeting to discuss the Smith Campgrounds.
- **Public Comment--** There were no public comments.
- **Public Health Report-**
  A. The public health report was presented by Moberg and printed copies presented to the Board and emailed to those attending remotely.
  B. The format of the board report has been adjusted to more accurately reflect the five core areas of the Public Health Services framework.
  C. The expenses and revenue numbers were provided for review. Projecting FY26 to close under budget and exceed revenue expectations.
  D. Activities supporting the Chronic Disease and Injury Prevention category were discussed; including our bp monitoring program stats, Happy Feet appts, car seat evaluations and deployments and continued training for April to support that effort, and an update on the May Health Henry County Communities meeting and the agencies represented in that meeting organized by Kelly Carr.
  E. Updates were given for Infectious Disease monitoring; including respiratory viruses, the cdc highlights on measles, hantavirus, Ebola and screwworm. Tb test stats were presented as well as an investigation of a Q fever case.
  F. Child lead screening stats were presented.
  G. One AED was distributed in the community, and the PH nursing team is assuming the responsibility of doing monthly checks on the AED's in some of the county facilities.

H. The Influenza/Avian flu response grant was discussed, and ideas were presented to promote influenza vaccination efforts for farm workers in Henry County.
I. Efforts in promoting Maternal, Child, and Adolescent Health were highlighted including the newborn nurse visit, the Walk, Bike, Roll to School day, and an outdoor activity day at Crooked Creek Camp for 6th graders which focused on sun safety.
J. The immunization clinic activity was reviewed and organizational updates were communicated as well as a report on our social media presence and mental health awareness campaign.
K. Angie Rhum gave an update on the Combat Cancer grant and provided a handout summarizing the multifaceted efforts of that grant.

- **Old Business-** No old business was presented.
- **New Business-** Upcoming position vacancies due to retirement were discussed and the need to begin recruitment efforts was stressed. Lois communicated that the DVIP/RVAP group would like to present to the board.
- **Announcements and Adjournment –**

The next meeting was set for July 22nd, 2026, at 12:30pm in the Public Health conference room. Lee County Public Health will be there to present.

With there being no further business, the meeting was adjourned at 13:06 following a motion to adjourn by Hampton that was seconded by Fear and passed unanimously.
